WORK AND RESEARCH EXPERIENCE

2008

2014

Child Caretaker/Nanny

Private Customers Scottsdale, AZ

Watched multiple children weekly in order to provide trusted care for the childrens' parents. Helped teach children new, basic skills from puzzle solving to reading new words and books.

2015

Present

Undergraduate Research Assistant

Designing Health Lab, ASU-Downtown

Assist on multiple projects for mobile health. These include developing a behavior change platform, designing a personalized intervention that is adaptable over time and a Google Research Award-funded project working on a DIY Self-Experimentation Toolkit.
